

The Spectrum Network Endowment Fund

At The Spectrum Network, we have been providing employment services, day habilitation and daily living assistance to adults with disabilities, mental illness, and other challenges since 1974. We are headquartered in Decorah and serve approximately 50 clients from different counties.

The people we serve often need support beyond what family and friends provide. We coach people on finding and keeping jobs. We teach daily living skills to people in their homes. We provide a safe, enriching environment through our Adult Day Services program.

Your financial gift is an investment in quality. Our programs are accredited by the Council for Accreditation of Rehabilitation Facilities (CARF). Our highly skilled staff members are well trained to serve our diverse clientele. We work to keep overhead costs down so that your financial gift will have maximum benefit for client services.
