Decorah Pavillion Plaza Community Project Fund

Imagine a welcoming downtown gathering place where families meet at the Farmers Market, local musicians perform, community organizations gather, and residents and visitors enjoy a beautiful green space. The Decorah Pavilion Plaza is designed to bring together community, art, music, local food and sustainability in one lasting public space.

DECORAH PAVILION PLAZA GROUP

The Decorah Pavilion Plaza is being developed as a community-funded project, supported by private donations, foundations, grants, and available incentives—not using City tax dollars for construction.

This approach allows our community to create a lasting public gathering place while preserving City resources for other important needs.

The Decorah City Council has passed a Formal Resolution of Support allowing planning and fundraising to move forward; final project approval will approval will follow with further design, financing and agreement with the City. Our goal is construction and completion in 2027. It is an opportunity to create a place that strengthens the Farmers Market, supports arts and community events, enhances downtown, and serves future arts and community events, enhances downtown, and serves future generations.
