We are inspired by the generosity and commitment of people and organizations who love their community. It is our honor to work with all our partners in creating communities where all people have the opportunity to thrive. It is only because of people like you that we can do more for the people and communities we serve. Join us in 'here for good'.

Give Now

Gifts of any size can be made to funds already established with the Community Foundation. Your generosity can support the grantmaking of your local foundation through a gift to its Impact Now fund or find one of our funds supporting nonprofits organizations.

Start A Fund

We'll work with you to match your giving and passions, and create a giving plan that meets your charitable and financial goals. There are many fund options, including establishing a named donor advised fund that allows you to support the causes you love during your lifetime.

Give Later

Leave a lasting impact in the way you want through your will, estate planning, or other planned gift. We work with you and your advisor to find giving solutions that leave a legacy and meet your family's charitable goals.
