

Since its inception, the Women's Fund, held with the Community Foundation of Northeast Iowa, has awarded over \$320,00 in grants to nonprofits serving women and girls in Black Hawk County. **This is possible through the direction and support of Women for Good members!**

## Did you know?

LESS THAN

**2%**

of overall charitable giving in the United States goes toward organizations supporting women and girls' causes.

*According to a 2024 Indiana University Lilly Family School of Philanthropy's Women & Girls Index report.*

**That is why your membership in Women for Good is so important!** As a member, you have the opportunity to engage with other community-minded individuals at quarterly events where community issues are discussed and we learn about the biggest needs for women and girls in Black Hawk County. And grants, which are partly funded by membership, help get more support to nonprofits meeting the unique needs of women and girls right here where we live.
