

# Kossuth County Agriculture and Motorsports Museum Fund

## About the Kossuth County Agriculture and Motorsports Museum

The Kossuth County Agricultural and Motorsports Museum is unique in that it features the history of agriculture, motorsports, and Arlen Benschoter's huge working "O" scale working train collection under one roof. The museum documents the history and tradition of agriculture and motorsports in Kossuth County. From providing a look at the past and present way of life of almost everyone in Kossuth County, to providing entertainment for many, these two museum areas provide education and recognition for residents and visitors to enjoy.

This museum has a meeting space for up to 95 attendees. When not in use for educational purposes, the meeting room is available for rent to the public.
