

# Algona Community School Endowment Fund

## About Algona Community School Foundation

The Algona Community School Foundation was formed in 1984 to maintain, develop, increase and extend facilities and services of the Algona Community School District while providing broader educational opportunities. Education is economic development.

Throughout its existence, the Foundation has provided \$650,000 in educational grants and \$3,715,000 in scholarships through 2013. The educational grants have helped students go on a field trip to New York, pay for guest speaker fees, development of a new robotics curriculum, and provide a new all-weather track. Scholarships are given to help Algona students continue their education after high school.
