“Our family started the Jim Morgan Memorial Scholarship Fund to honor Jim’s passion, vision and belief that sports foster great friendships and develop skills in youth that lead to success later in life.”

**JEANNE MORGAN**  
Wife and Fund Founder

**Jim Morgan** grew up in Waterloo, Iowa. He attended Waterloo West High School where he was involved with both athletics and the arts through his participation in track and choir. After his graduation in 1967, Jim was drafted into the U.S. Army and was stationed in Germany. Upon his return, he attended Hawkeye Technical Institute.

In 1969, Jim was united in marriage to his wife, Jeanne Marie Munson. Together, Jim and Jeanne raised two children, Elaine and David. Both children graduated from New Hampton High school and received degrees from the University of Northern Iowa. Jim passed away in 2005. Jeanne currently lives in St. Peter’s, Missouri. Elaine resides with her husband and two children in Oregon, Wisconsin, and David along with his wife and their two children call Cedar Falls, Iowa their home.

Jim’s professional career took place over the course of twenty-eight years at Sara Lee Bakery in New Hampton, Iowa. During his time with the company, Jim worked as an electrician, electrical engineer, and finally a project engineer. Jim also donated his time to athletics. He volunteered an abundance of his time working with young wrestlers to ensure they excelled in the sport they were devoted to.

The Morgan family started the Jim Morgan Memorial Scholarship to honor Jim’s passion, vision and belief that sports foster great friendships and skills in youth that lead to success later in life. The opportunity to help young individuals looking to continue their educational journey after high school is important to the family. The establishment of the Jim Morgan Memorial Scholarship Fund with the Community Foundation of Northeast Iowa allows his family to carry forward Jim’s passion for youth athletics, forever.

The Jim Morgan Scholarship is for students graduating from New Hampton Community High School who will be attending a four-year university. The scholarship is geared toward students who have participated in the New Hampton wrestling program.
