“While nothing can replace Nick in our lives, we wanted to find a way to support others with the same passion Nick had for the outdoors.”

ANDREA HERMAN, Nick's Mom and Fund Founder

Nick Herman grew up in Waterloo, Iowa and was a 2012 graduate of Columbus Catholic High School. He was ambitious and a hard worker who often held two jobs while attending school full-time. Nick's work and volunteer experiences provided him with opportunities for learning and service while pursuing his true passion for the outdoors.

Nick was very involved in the community. He used his many talents while volunteering with a variety of organizations, such as SportAbility of Iowa, Special Youth Challenge, and the Wounded

Warrior Project. For five years, Nick was both a participant and youth leader with Eagle Claw Youth Leadership Conference, a backpacking and service trip to the Big Horn Mountains in Wyoming.

In the Fall of 2013, Nick had started his second year at Hawkeye Community College. He was studying environmental sciences with the goal of working for the Natural Resources Conservation Service or the Department of Natural Resources. Tragically, on September 29, 2013, Nick was working in preparation for the upcoming hunting season when he was killed in an ATV accident. However, his memory and legacy live on.

In Nick's honor, his family has established the Nick Herman Outdoors Scholarship Fund. The scholarship fund will provide scholarships to students pursuing degrees related to natural resource management and who share Nick's passion for learning, service, and the outdoors.

You can support Nick's legacy with a gift to the Nick Herman Outdoors Scholarship Fund using the form below or at fund.cfneia.org/herman. Financial gifts of any size are welcome to support students with a passion for the outdoors.
