

Waverly Cedar River Park Fund

The Cedar River Park Project

The community of Waverly is in need of updated youth ball diamond facilities and the vision is to build a local park that provides the opportunity for children of all abilities to play baseball and softball in our community. Cedar River Park will be an eight-field complex with an inclusive field and playground. The park will also include accessible concessions and bathrooms, a bike path, and a playground structure. In order to see this project become a reality, your help is needed. Please consider making a donation to the Waverly Cedar River Park Fund. Learn more about the project at www.cedarriverpark.com.
