

Ball Fields and Pickleball Courts (Decorah Athletic Complex) Project Fund

About this Fund

The Ball Fields and Pickleball Courts (Decorah Athletic Complex) Project Fund has been established with the Winneshiek County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa, to support the construction of new recreational facilities in Decorah. This exciting project is spearheaded by the City of Decorah and the Decorah Parks and Recreation Department to expand community opportunities for sports, recreation, and events.

The planned minimum implementation bid includes the construction of two 280' ball fields with dugouts, eight pickleball courts, grading for two additional fields, a 100-stall parking lot with a convenient drop-off area, a plaza, a mowed trail system extension around the fields, a prairie, and a water infiltration basin. Depending on funding, future additions will include even more amenities!

The project site, located along Old Stage Road adjacent to the Decorah Dog Park and Freeport Trail, is designed to meet the needs of a wide range of users and provide modern facilities that will serve the community for generations.
