

Black Hawk County Child Care Solutions Fund

The Child Care Solutions Fund

The Black Hawk County Child Care Solutions Fund was created through a collaborative effort spearheaded by the Iowa Child Care Resource and Referral to address critical staffing shortages in local child care centers. Recognizing that affordable and accessible child care is essential for retaining employees, increasing workforce participation, and reducing absenteeism for employers, this fund provides a sustainable solution to a pressing community challenge.

The fund provides employee support for child care staff, helping centers attract and retain qualified professionals while keeping child care costs affordable for working families. By building a bridge between employers and child care providers, the fund fosters partnerships that address the needs of families, businesses, and the broader community.

Your support is key to making a difference. By contributing to this fund, you are helping ensure that families in Black Hawk County have access to affordable child care, businesses can thrive with a stable workforce, and our communities can continue to grow and succeed.
