

Middle Amana Fire Station Expansion Fund

About the Middle Amana Fire Station Expansion

The Amana Firefighter's Association supports the Amana Fire Department, also known as Amana Fire & Rescue and the Amana Benefited Fire District. This volunteer department primarily serves Lenox Township and parts of three surrounding townships, and provides mutual aid to all fire departments in Iowa County, as well as into Benton, Linn, and Johnson Counties.

With continued growth in the area and the purchase of additional equipment, the current fire station no longer provides the space needed to safely and effectively house emergency vehicles. The aerial truck has only four inches of clearance in front and behind, with just three inches from the top of the ladder to the garage door. Engine 2 also barely fits in its bay. Currently, seven vehicles are stored behind just four doors, forcing volunteers to "stack" vehicles and sometimes move one vehicle to access another during emergencies.

To meet the needs of the community and ensure a timely response in critical situations, an expansion of the Middle Amana Fire Station is urgently needed.
