

Kossuth County Dementia Care Fund

About Kossuth County Dementia Care

Kossuth County Dementia Care is a community-based nonprofit dedicated to supporting caregivers for people with dementia. Through education, connection, and compassion, the organization works to raise awareness of dementia and reduce isolation for those affected across Kossuth County.

The Kossuth County Dementia Care Fund has been established with the Kossuth County Community Foundation, an affiliate of the Community Foundation of Northeast Iowa, to support local programming and resources for caregivers. These efforts include facilitating a local monthly support group for caregivers, educational opportunities, and community awareness initiatives.

They recognize how much the need has grown in Kossuth County, and understand that help is needed now. They also strive to be an additional support to local physicians and community health to provide resources as well as a listening ear to guide caregivers through this terrible disease.

By providing a safe space for shared experiences and trusted information, Kossuth County Dementia Care helps caregivers feel supported, informed, and less alone. Together, we are building a more dementia-friendly community rooted in understanding, dignity, and care.

Thank you for helping support families facing dementia in Kossuth County today and in the years to come.
